A WORD FROM THE LEAD PASTOR,

Hello friend,

2023 IS HERE! This is our ZOE COVENANT YEAR!

Grace, revival, preservation & prosperity will flow unhindered!

OUR 12 DAYS FASTING

Please join our 12 days GOD FIRST COVENANT FAST - January to Please God!

WHY "JANUARY TO PLEASE GOD":

1. In 1998, the Lord promised us; "If you give me your January, I will give you the whole Year!" Each year, He has kept His word with proofs!
2. The law of first fruits states that; "the first sanctifies the rest". (Rom. 11:16). January is the first month & first fruit of the year! As we honour God in it, he blesses the rest of the year! Prov. 3: 9-10.
3. Life is easier, when we win our battles spiritually before they arise physically. By fasting and prayers in January, we own the year and cut off every evil program that could hinder our journey!

HOW TO PARTICIPATE:

1. Consecrate January to God by spending time in his presence, practical evangelism & sacrificial giving!
2. Attend the Miracle Service at any Gateway International Church location, each program day. Time is 5:00pm.
3. Come with your prayer requests & points of contact to your desires (pix, passports, certificates, business papers, medical reports etc).
4. Our Headquarters Church is @ 30/32 Eliparanwo Rd, off Ada George Way. Mile 4, Port Harcourt.
5. FRIDAY, 27 JANUARY, is the PROPHETIC VIGIL to end the fasting at 10:00pm.
6. SUNDAY, 29 JANUARY is our 2023 ZOE COVENANT Service at 6:30am; 8:45am; 11:00am.

More grace!

DIVINE INTERVENTION

SUSAN DURUKEM

4 years ago my brother that resides in France was diagnosed with a kidney condition, although he had a pre-existing heart condition that required him wearing a pacemaker in the heart. While there in France, he stayed connected to all our church programs as an online member. Because he had no family in France that could take care of him based on how critical his health was, the doctors in-charge of his case decided to admit him into a nursing home that was close to the hospital so that they could keep monitoring his health from there. In 2020, his health deteriorated so badly the doctors lost hope and told my brother to contact a family member that can come down to France in order to handle his remains as he had just three days to live. Our eldest brother in the UK was contacted and he flew over to go and see him. Our eldest brother met my sick brother in the nursing home with the team of doctors treating him and told him his reasons for coming. He looked at him and the doctors and said “nothing will happen to me”. My brother started undergoing dialysis from April 14th 2020 to December 31st 2021. He did it for 257 times, 3 days in a week, 4 hours in a day. In May 2021; in one of the Sunday

services, Papa gave a word of knowledge specifically about him and his heart condition as he mentioned my family name. He declared that everything about his health situation has been reversed. I held on to that word in prayer. I called my brother and told him about Papa's word of knowledge and declaration and even sent him the video. He kept praying with that word which helped his faith. After the series of organ matching tests that was done on him, he was told that his name will be updated into the organ donor system in France. On October 6th, a week before his name was to be updated, he got a call to come to the hospital that a match has been found for him for both his heart and kidney transfer which is rare. Before he was wheeled into the theatre for surgery, I sent a message to Papa and He declared with a word that “it will end in testimony”. The transplant surgery was successfully carried out, but my brother was in coma for two weeks after the surgery. While he was in coma, I came to the Altar and sowed a seed for his life because one of the doctors told us he might not wake up from the coma. I held on strongly to Papa's declaration that said it will end in testimonies. Miraculously he came back to life and treatment continued for his body to accept the donated organs. He was discharged a week to Christmas of 2021. Today, my brother is totally healed and recovered and has gone back to normal life routines. This Thing Works!!!

SUPERNATURAL HEALING

CHIEF KIDDO BRANCH

I joined GIC three years ago and God has been faithful in my life. In the month of June 2022, I noticed a pain around my throat region and I went to the hospital to run a test. It was found out that I had a growth around my left jaw and there were stones inside the growth so the doctor decided to do a surgery on me. The day for the surgery was booked for the 29th of August. Few days before the surgery I went to the hospital to run some pre-op tests and while I was waiting for my turn, I fainted. I was resuscitated and I regained consciousness. The nurse went through my diet plan and drugs and they found out that I was taking a higher dosage of one of the drugs I was placed on. The dosage was reduced to one instead of twice a day. On the night before the day of my surgery, the doctor in charge of my surgery called me and asked me to leave the hospital. He told me the surgery won't take place again as a new date for the surgery will be fixed and the hospital will get back to me on that. I left the hospital that night and after that night, I started having series of nightmares where I was chatting with loved ones who have passed on. On the first of

September, I had a terrible nightmare which I and my family members held hands and prayed against. The hospital called me and told me the date of the surgery was now slated for 15th of September. On the 4th of September I was here in church for the second service. During the service, Papa gave a word of knowledge and said, "You won't go for that throat surgery". I looked at my wife and told her that I won't go for the surgery anymore. That Sunday I met with Papa to redeem a vow I made and while he was praying for me, he laid hands on the growth and said "Let's see how it goes before Thursday." The next day being Monday, I told my doctors that I was cancelling the surgery and they looked at me as if I was joking. They asked me if I was going to believe my Pastor and I said "Yes." They told me that if I cancel the surgery I might not get a refund of the money for the surgery that I have paid and I said "No problem". On Wednesday before the Thursday Papa declared, I went back to the hospital to submit my letter for the surgery cancellation and as I was coming out of the office, I saw the pharmacist that prescribes drugs for me. She looked at me and asked when I did my surgery. I touched my jaw, and that was when it dawned on me that God had taken away the growth. It was no longer there! Praise God!!! This Thing Works!!

SUPERNATURAL HEALING

PRECIOUS JACK

In June 2021, my mum started bleeding, and passing out bloody urine. We went to different hospitals to find out what was wrong with her but the tests were not giving any clues. The result showed her system was okay but physically she was dying. At the same time it was as if the right part of her body was having partial paralysis. On the 19th of June which was her birthday, we met Papa and he prayed for her and the bleeding and paralysis stopped. In January 2022, the bleeding started again and during J2PG 2022 program, all we asked God was to give us a diagnosis to her illness so that we would know what we were treating. During J2PG, my mom used her house as a viewing center and also told us (all her children) to drop a seed on the altar. After the healing night of the program, we went to the hospital and ran some tests, and for the first time we had a diagnosis. The result came indicating Renal Carcinoma, which had affected her kidney. When my mom heard the doctor's report she became scared because she has had four major surgeries and didn't know where they were

going to open this time. As a result of her fear, her BP shot up. She said she didn't want to do any surgery and wanted to leave everything to God. I called Papa and told him what she said, Papa prayed for her and while he was doing that, we recorded the prayer and sent it to her. We kept praying with it which helped to build her faith and miraculously lowered her BP. Through the help of God, the best team of doctors were assembled and the surgery which was on a 50-50 chance was carried out successfully. On the day of the surgery, God showed up and surprised us. Because my mum has been bleeding, four pints of blood were kept aside to be used for her surgery, but on that day, they didn't use it. God commanded a supernatural flow of blood through her system. The surgery was done successfully and she came out without any complications. The mass that was taken from her was taken for a Histopathology and further testing and the results showed that the cancer wasn't growing. The chemotherapy was successful and the Echocardiogram test that was done showed that her heart was recovering well. We are here to return all the glory to God for His Sure Mercies, and making our mum see another year as she was able to celebrate her birthday after her discharge from the hospital. Praise God. This Thing Works!!

HEALING AND DELIVERANCE

REMIOLU-AKERELE

In the second week of May 2022, I woke up with terrible pains in my chest. I went to the hospital and the doctor recommended some tests. After I ran the tests, I came back to the doctor with the results and he said it was really bad, that I had a heart problem. I went home and the pains persisted. I woke up one morning with excruciating pains, I got angry in my spirit and started praying. I reminded God of the testimony in church, of the lady whose womb was restored. I prayed and asked God to touch me and give me a new heart. I took off my clothes and laid down. I fell into a trance and saw myself on an operating table. I felt a hand on my chest and something like a cube of sugar popped out of my chest looking like a blood clot. There were nurses dressed in navy blue, cleaning and cleaning until every single blood clot was cleared. I woke up and all the pains were gone. I went back to the doctor and ran the same tests. The results came out and one of the nurses said my heart was like that of a new born baby. I return all the glory to God.

HEALING/DELIVERANCE

IGHALO AUGUSTA

Last year December, I had a very serious stomach pain and the pain was so serious in my lower abdomen that I was rushed to the hospital. I was subjected to series of tests and it was discovered I had a mass in a section of my stomach. I was booked for surgery and it was successful. The sample of the growth that was removed from me was sent to the lab for further testing to check if it was cancerous and to determine at which stage of growth it was. After the test, it was discovered that the growth was cancerous and had just been caught at the earliest stage; also every trace of the cancer was totally removed from my stomach during the surgery. A further test done indicated that there isn't any chance of the cancerous tumor returning. My children were tested and they showed no indication of having that mark of cancer in them. The doctor told me an amazing thing about the situation. I was told the pain that brought me to the hospital had no relation to the cancerous growth, also the growth would have stayed in my stomach growing into a stage that would have been detrimental to my health without raising any health alarms. But God did it in a way that I woke up with that pain and in the cause of the tests, the cancerous growth was discovered. I give God all the Glory for healing and watching over me so endearingly.

PROPHETIC BREAKTHROUGH

JOSHUA MBAKWE

For over two years I lost my business, things went so bad and I broke down financially. On the third day of J2PG 2021, I came to church confused and frustrated. I didn't know where and who to go to as all the people I was calling for help, were not answering my calls. None was willing to help me. I was sitting outside in one of the overflows in church when Papa came outside to the overflow as the prayers were going on. He walked up to me and held my hands; then he said "I am seeing a fence surrounding you, nothing is

going in and nothing is coming out".... and he prayed for me and commanded the fence to collapse. As he was walking away, he said "I hear God say that He will come through for you by July" and I said Amen. But in me, I wished the visitation would be earlier because of the desperate situation I was in. By July 2021, I became very eager but as the first, second, and third week passed with nothing spectacular happening in my life, I almost became discouraged. On the last day of July, I got a call that turned around everything in my life for good. From that call, I got enough money to set up my business. Since then, things have been going so well. The people that I would call before now and they would ignore my calls are now the people calling me and giving me business contracts. My business has expanded so much that God blessed me with my own bottle water company. Praise God!!! This Thing Works!!!

FINANCIAL FAVOUR

MRS PREYE AKANGBOU.

On Sunday 16th of January 2022, Papa asked us to sow a seed towards the J2PG program for viewing centers. That Sunday after the service, I paid half of the vow I committed to. On Wednesday during the J2PG program, I had a leading to complete the vow because after I had paid the first part, I felt this reluctance within me to complete it. On Thursday I completed my vow and on Friday morning I got a call

to make a supply; it's worth in 6 figures. When I was taking the order, all that was going through my mind was how I was going to meet up with the supply. I thought I wasn't going to be able to deliver the order completely and on time. Normally the size of the order is something that I would have gone out of the state to source for, but God made it so easy that I was able to get the complete order within Port Harcourt. My husband helped me to do the delivery; which we did on time and we were paid in full that same day. Praise God!! This Thing Works!!!

HEALED FROM URINARY INCONTINENCE

WINNIE AHIAKWO

I've been unable to hold urine since I was 9 years old (14 years ago). Anytime I feel like urinating, if I don't use the restroom immediately I will urinate on myself. On day 9th day of J2PG 2022, Papa gave a word of knowledge that "There's a lady here who can't control her urine" come out. I came out and he laid hands and

prayed for me. That night I went home I decided to act in faith. I took a lot of water that night and normally, I would sleep downstairs because the room is close to the bathroom. But that night, I decided to sleep in a room upstairs which would force me to come downstairs and urinate. But the amazing thing that happened that night is that I did come downstairs to urinate only once until morning because I was able to hold my urine, but initially I would have urinated during the night up to nine times especially if I had taken a lot of water during the night; which I did. Since that night up till today I have been able to control my urine without any dropping. Praise God!!

THE COVENANT SPEAKS: THERE SHALL BE NO LOSS

MR. ADOKIYE TONY

I was involved in a very critical accident on the 30th of December 2021 with my car somewhere around GRA, Port Harcourt. My vehicle rammed into a double high tension electric pole beside a transformer. I can't explain how it happened, but what I could recall was that I had just bought fuel from a filling station five minutes before the accident. I was awoken by a loud sound when the incident happened. Immediately, someone rushed to the scene to rescue me; only to find me already out of the vehicle. The impact made the poles to fall directly on the car. The cables too; with electric current in them were all around the car. This could have led to electrocution or worse still a fire explosion, especially with the petrol bought and kept in the trunk. The interesting thing again was that I couldn't recall attempting to unstrap the seatbelt, neither did I

touch the central lock buttons. When the young man who came to rescue me got to the spot, he saw me already outside my car; though staggering while trying to gain stability. He held onto me and told me to sit and I did. While on the floor I noticed the cables above were sparking. I quickly dashed off for safety, which meant there was still power supply on the transformer. Kai!! This God good oo. On this fateful day, I woke up with an urge to go on fasting and prayer. I declared a fast and even came to church, laid on the Altar and prayed before I broke the fast. My prayer points were: "Oh Lord, There shall be no Loss for my family and me. I shall see the end of 2021 and it will not see my end. I went to Bethesda Mission Hospital for a thorough medical examination. I did some scans and x-rays and when the result was out, the doctor said "Congratulations, nothing related to the accident was found in the results". Glory to God!!!

SUPERNATURAL HEALING

IFEDIKE IFEOMA

For 6 years, I suffered from what the doctors called “Mouth Ulcer”. I was always in and out of hospitals because this terrible situation defied medical treatment. That was when I knew it was more than the mouth ulcer the doctors were seeing it as. The situation was so bad that I had sores inside my mouth and throat, I couldn't open my mouth to talk because whenever I did, a very embarrassing terrible odour from my mouth fills the environment. It was so terrible that I couldn't eat or drink anything these past years without going through excruciating pains. I became tired of going to the hospital because the medications weren't helping. As a result of the terrible mouth odour, my social life was affected because I couldn't speak to anyone without being embarrassed. I couldn't be part of a gathering. I thought of committing suicide several times and even prayed to God to take my life. I got tired of my life and was about giving up until a friend of mine who is a Gateway member invited me for J2PG 2021. On the second day of my attending the program, I was sitting outside in one of the overflows when Papa mentioned my case. I didn't come out; but right there where I was standing, I put my both hands on cheeks and keyed into the prayer, and that was how I got my healing. Gradually the sores began to heal and the mouth odour disappeared and I began to eat well again. It's been one year to now and all symptoms gone. I am perfectly healed. I return all Glory to God for His Miraculous healing in my life.

DIVINE BREAKTHROUGH AND HEALING.

ANTHONY COKER

For the past 10 years, I was battling financial difficulty. I couldn't get a job even though I was a graduate. Things were so bad that I slept in an uncompleted building for months, I could barely feed. In January 2021, the Sunday before the beginning of J2PG 2021, the Lord led me to Gateway Church. I attended and enjoyed the service and went home. on Monday being the first day of J2PG 2021, I came for the program and during the ministrations, Papa made a declaration that “Someone here, in 10 days you'll get something better” and I received it. On the second day of the program, I got a text to come for an interview at an Oil and Gas firm. In the following days leading to the day of the exam, the Holy Spirit would wake me up each night after the program and show me where to read in preparation for the exam. On the ninth day of J2PG 2021, I went for the interview and on the tenth day, I got the job; exactly the number of days in Papa's declaration. Out of 80 people that sat for the exams, we were only two that qualified and I was the best. I resumed work that same January 2021 and gradually things began to turn around for good in my life. In December 2021, I was promoted in my office.

Secondly, for the past three months, I've been in and out of the hospital for Gastric Ulcer, Malaria, Typhoid and a Chest Infection. Within the past three weeks, I've taken over 25 infusions. Throughout the first week of J2PG 2022, I was bedridden but was watching the program online from my hospital bed. On the fifth day of J2PG 2022, Papa asked us to come to church with tokens of healing. When Papa was about to bless the tokens, He asked us to lift them up and I lifted up a bottle of water and He blessed them. After the ministration, I took it. By the next day, all symptoms were gone and I was immediately discharged from the hospital. “This Thing Works”.

12. Whatever arrows are already projected against my life: back to sender!
13. Father, set a table for me, this season, in the presence of my enemies!
14. I declare that in 2023, I will lose nothing & nobody related to me to evil!
15. Let 2023 be a year of zero death in GATEWAY & every member's family!

DAY 11 MINISTRATION: NIGHT OF THE ARK! Tonight we will renew of covenant of life & preservation.

DAY 12: NO PROPHECY OVER MY 2023 SHALL FAIL OR BE DELAYED!

THOUGHT: It doesn't take God a lifetime to execute his word; it takes our passionate engagement with his plan!

SCRIPTURE: Jeremiah 1:11-12

PRAYERS

1. Thank the Lord for his 'I AM' covenant; declare an overflow of ZOE-life!
2. Thank God for every prayer & ministry of J2PG; prophesy your proofs!
3. Let the harvest of the years that I sowed in tears, begin to manifest!
4. Lord, give me results that will shut the mouth of my mockers in 2023!
5. Let the mysteries that swallowed up my riches, vomit

them today!

6. Walk around your environment & prophesy life over everything!
7. Every reality that I am seeing now, contrary to God's word; end by fire!
8. God has spoken my greatness; O earth, make room for my destiny!
9. I prophesy opportunities, access, help & resources for my next level!
10. I program marriages, miracle babies, new jobs, mega projects in 2023!
11. I receive the hand of God that commands destiny acceleration & ease!
12. Let your Spirit, word & angels keep working in my life until all is settled!
13. Any power trying to delay, deny or reverse my testimonies; die by fire!
14. Ask the Lord to make GATEWAY his altar of mercy & proofs in 2023!
15. Declare that 2023 will be the beginning of Nigeria's turnaround!

DAY 12 MINISTRATION: NIGHT OF THE FATHERS BLESSING! Come with pictures & points of contact of your expectation for 2023!

Jesus Exceeds Expectations!
