### **DIVINE INTERVENTION: LOST BUT FOUND AND RECOVERED**

Over thirteen years ago, my daughter travelled to South Africa and due to the xenophobic attack and the insecurity challenge at that time, she was forced to relocate to America for safety. Sadly, I never heard from her again and I had been worried about her whereabouts. During one of our services in Church, Papa said we should hold one another's hands in a chain and pray together. He declared that somebody would connect to us. He also prophesied that someone in the congregation will get a land he didn't buy. I connected my hands to my seatmates as he instructed. And during the service, my phone kept ringing but I couldn't take the call. I waited until after the service and tried to call back. When I got connected, behold, it was my daughter whom I hadn't heard from in over 10 years. She called me saying that she was prompted to reach out. While we got talking, she asked for my bank account details and blessed me with three plots of land, and promised to build the house next year. I have come to give God all the glory.

### **THIS THING WORKS: SS CHANGED TO AA!**

Before my wedding, the church asked us to go for a genotype test, which we did. When the result came out, my wife was found to be AA while I was AS and we never did that before then or after we got married. Two years later, I was married and my son got sick. At the hospital, a blood test was done and the doctors confirmed he was SS. It was a very unpleasant surprise. My wife immediately ran another test which showed she was AS. During the vigils of destiny, Papa gave a word of knowledge about a woman's baby whose genotype is changing from SS to AA. She keyed into it and went for another checkup but the baby was still SS. Nevertheless, we didn't give up but kept on believing in God and praying. After some time, during the Altar of Mercy, Papa mentioned the baby's situation again and told the parents of the baby to get a bottle of water, add anointing oil to it and administer it to the baby for seven days. We did just that and on the 7th day, we went back to the hospital. This time around, the baby's genotype had changed to AA. Our baby is perfectly fine now! Glory to God!

### **Job Secured by a Word from God's Servant**

I joined GIC during VOD 2022. After VOD, I continued with the “Altar of Mercy” prayer. On one of the nights of prayer, Papa asked us to anoint our heads with oil, pour some oil on the floor of our rooms and stand on it. After the prayer, I wanted to have my bath but I decided against it and told myself that the anointing is enough. That night I had a dream where I saw boils all over my face. As I pressed one, the rest fell off. When I woke up, I knew that God had conducted a deliverance on me.

Secondly, for the past five months; I had been having issues at my place of work because I had not been able to meet my sales target at work. On the 1st week of September, I was here for Faith clinic and Papa mentioned my case—about someone that had been having issues at work and that God was going to turn things around by September. By the last week of September, for the first time in 5 months, I met my sales target and my job is safe now.

### **Addiction Broken**

I came to Port Harcourt in 2017 as a student. Because my family church is not here, I stopped attending church. Along the line, I got mixed up with the wrong friends that lured me into smoking. I continued until last year when someone invited my roommate to GIC (RSUST Satellite church). I didn't want to stay alone in the room, so, I joined him to church. Afterwards, I joined the church because I liked it. I volunteered to serve but was still smoking and keeping that group of friends.

During one of the Altar of Mercy nights in October 2022, while Papa was ministering, he started praying for people with addiction; he poured oil and asked us to take off our shoes and stand bare feet and I did. After the prayer, he advised that we replace negative addictions with positive ones. So, I decided to intensify my service in the house. I was always available to serve and started reading the Bible and praying often. To the glory of God, I made new friends in the church and was able to change my circle of friends and for 6 months now, the smoking addiction has gone. I have come to return all the glory to God!

**5 YEARS OF CHILDLESSNESS ENDED AND BABIES' HEALTH RESTORED**

On the 19th of May 2023, I planned to join Papa on the Altar of Mercy but I slept off. However, I suddenly woke up in the middle of the night and joined the programme. Immediately I joined, I heard Papa say there shall be no loss. He kept repeating that phrase and prayed with Isaiah 54: after a year of struggling. I keyed into it. He kept saying we shall not die. On the 20th (that's the next day), I went to a wedding ceremony. And as the couple was about to dance out, a policeman started shooting; one of the bullets came to my side and scratched my head but I saw God preserve my life that day.

Secondly, I didn't have a baby until 5 years after I got married. In 2013, during the vigils of destiny, papa

declared; “by this time next year, you will carry your baby”. I keyed into that prophecy and in August, I conceived. At the exact time the next year as Papa prophesied, I had my baby. But the devil came. After my baby was born, he was diagnosed with Adenoids and had difficulty in breathing. We visited hospitals and took drugs but it continued. Then I became pregnant again and gave birth to twins. And the same issue reoccurred. After a year of struggling, I decided to visit Papa in the office on the 10th of February 2022. He declared that the sickness will disappear. From that time until now, my children are healed. No cold, no breathing condition; they are whole! Glory to God!!!

**Deliverance from Armed Robbers.**

Last week Friday, I was on my way to school when my colleague and I noticed that we had boarded the wrong vehicle. We realized that the other passengers apart from us were armed robbers. They took our belongings and one of them said they should kill us. So, I raised my hand to be. Seeing my bangle, the lady among them asked me which church I worship at. When I told her GIC, she told the other guys to let us go. To the glory of God, they alighted us somewhere near the school and drove off. The covenant of “There shall be no loss” spoke for us.

### **All Prayers Answered; No Soul Was Lost!**

On the first day of Peniel (our Easter programme in Church), I had an emergency and had to travel with my siblings. While on the bonny river, our boat climbed on another boat that had capsized a long time ago, and it started capsizing. Though lifeguards and divers came, they said there was nothing they could do for us. I called Pastor Favour (the faith clinic pastor of Gateway) but he didn't pick up, so, I sent Papa a text message and then called immediately. He picked up and said; "No soul will be lost". All of a sudden, a speed boat from nowhere came and started rescuing us from the capsizing boat. No soul was lost!

Secondly, I stopped writing prayer requests because of years of unanswered prayers. But during the VOD last year, I wrote prayer requests; by December, all my prayers had been answered. Glory to God!!!

### **Healing from Breast Cancer.**

My name is Mrs Fynness Emenike. I was crosschecking my breast as normal for women when I discovered I had a growth in my breast and there was this serious pain and hotness of the body I felt from that moment I found out about the growth. My daughter asked me to go for a test, which I did and was told it was breast cancer and the only option was to cut off my right breast. Immediately, I rejected the doctor's option to cut off my right breast and ran down to the church to see the lead pastor, George Izunwa. Papa prayed for me and told me that I should go back to the hospital and that the growth will not be found again. I received the prophetic declaration of Papa as a healing word. To the glory of God, the growth wasn't found and I was healed!

**PRAYERS:**

1. Father, thank You for giving me all that pertain to life and godliness! I have the God-Life; I will be the evidence of God in my generation!
2. The God that cannot lie or fail; come & show your inexplicable touch in my life! Lord, use me to show the world that you are God!

VOD\_50

3. Whatever forces of darkness are working to frustrate grace in me: catch fire tonight! 2023 will deliver its promise!
4. Let my evidence show; let my testimony and harvest come. Every prayer request must be followed by a praise report in Jesus' name!
5. Men are God's channels; I call forth the men & organizations assigned by covenant for my lifting. Show up now in Jesus Christ's name!
6. I uproot the power of repeat infirmity and generational calamity!
7. I command spiritual gate to open and give access to my destiny; let there be amazing breakthroughs and generational impact results!
8. I reject sickness, weakness, witchcraft activities & evil arrows of death! Whatever does not market God's kingdom must not happen in

my life!

9. Whatever mocks grace must die in my life today! No 'aluta continua'. My struggle has ended; it is time to eat the good of the land!
10. I release grace on Gateway Int'l Church to fulfil her covenant assignment in 2023!
11. I command multitude to gather to God, have God encounters and be disciplined in Gateway Int'l Church!
12. I bless God's servant, Pastor George Izunwa with a new level of grace and glory!
13. Lord, let every man who will not let Nigeria experience peace be removed from the corridor of power!
14. March around your house & sprinkle communion or oil; declare that a new season has opened up for you & Gateway Church.
15. Take a prophetic song & dance of thanksgiving

to celebrate God for July. Anoint yourself with oil & declare that the evidence has begun!

# SALVATION

It is impossible for anyone to have the best of God until such life is truly surrendered to Jesus Christ!

To repent of your sins & give your life totally to Jesus Christ, please pray this prayer of faith:

Dear God, I am a sinner & I need your mercy. Forgive my sins & change my life. I receive your son Jesus Christ, who died for my sins, to be Lord over my life. Amen!
