A WORD FROM THE LEAD PASTOR

Hello friend,

Welcome to 2024! This is our COVENANT YEAR OF ROHI [THE SHEPHERD]

We trust God that everyone will experience every reality of PSALMS 23 in this amazing year in Jesus Christ's name!

OUR 12-DAY FASTING

January is our month to lay covenant foundations for a glorious new year! Our 12-day fast is to open the gates of the year, programme the realities of the year by prophetic prayers and possess each month by covenant.

The **3-KEY REASONS** for the J2PG program include:

1. The promise God made to us in 1998: **"If you give me your January, I will give you the whole Year!"** Each year, He has kept His word with proof.
2. **The law of first fruits which states that "the first sanctifies the rest"** (Romans 11:16). And since January is the first month of the year, it is the first fruit of our year and the seed that carries the blessing! (Proverbs 3: 9- 10).

3. Fasting and prayers in January gives us the opportunity to **win the battles of the year in the spirit realm before they manifest physically.**

HOW TO PARTICIPATE:

1. Use this **prayer bulletin to guide** your prayers. But also pray in line with your needs!
2. Attend each meeting with your **prayer requests** clearly written and any **points of contact** to your desires (pix, chequebooks, certificates, business papers, medical reports, etc.)
3. The service will be held from Monday 15th - Thursday 25th January 2023 at **Gateway International Church, ALTAR OF MERCY GROUNDS, Rumuolumeni, Mile 4 Port-Harcourt.** The Service Time is **5:00 pm** daily.
4. **Friday, 26th January will be our Prophetic Vigil to end the fasting. The time is 10:00 pm.**

It will be my privilege to take this journey with you!

More grace!

George Izunwa

NIGHT OF BREAKING THE 7-YEAR SIEGE!

LIFE RESTORED BY PROPHETIC INTERVENTION

QUEENDALYNE DAVID

On the third of October 2022, I woke up 2:00am. I called my husband who was not around, my elder sister and my elder brother and told them how I was feeling and they prayed for me. Then my husband told me to call one of my neighbours to take me to the hospital, which I did. In the hospital, I was diagnosed with malaria and typhoid, I stayed there for six days and came back but still wasn't feeling better. In the night, I had a dream where I was bitten by a dog and when I woke up, I actually prayed, but after two days my body became sick again and I was taken to another hospital. This time around I was infused with two pints of blood and more than twenty drips. After all this, I was still not okay. Then the doctor said she had done everything she knew to do and suggested we went spiritual. That same night, I keyed to the Altar of Mercy prayer and during the prayer, Papa rebuked the spirit of death and commanded that every grave digger should fall inside the grave and I kept saying "Amen!" Then he poured oil on the ground and asked us to stand on the ground and pray. I did so and in the morning, I woke up and saw myself coming out of that grave. That was how God delivered me, and I left the hospital the following day. Hallelujah!!

SUPERNATURAL PROVISION

JENKINS GLAD

On the crossover night of 2022, I came back from work and decided to rest before coming to church. As I dozed off, I saw Papa and he said to me "If you give a seed, you will get harvest; but if you make it a sacrifice you will raise an altar". I woke up and came to church, while in church my spirit kept recalling the words Papa said to me. Although I had already decided what to give as my first fruit, which was higher than the previous year, because of that word that kept resonating in me, I jumped out immediately after Papa made the first call for first fruits. On my way home from church, I picked up my phone to check some New Year messages and I saw a credit alert. When I opened it, it was in six zeros and I didn't know who sent it but later someone called me and said that is your New Year's gift. As if that was not enough, the following week, I got to my workplace, a man saw me and said to me, "You have been so nice to me" and there, he gave me an envelope. When I opened it, it was exactly the amount I needed for my first fruit. This Thing Works!!

Spiritual resistance is real. Anytime a good person is having contradictory results, a mystery is at work. It takes the light and fire of God to stop resistant forces!

PRAYER POINTS:

1. Thank God for your victory in Christ. Jesus' blood has made us free! Declare that no spiritual resistance will scuttle your dreams and pursuits in 2024!
2. Today, I bring anything Satan holds against my destiny to the cross of Calvary! Let every accusation of hell against my life, family and church be destroyed!
3. Galatians 3:13—Father, in the name of Jesus, I refuse to be tied to any evil altar or covenant. Whatever is connecting me to my family altars: fire!
4. Luke 19:27—Let every evil Priest projecting wickedness against my destiny catch fire now! Every afflictor will die by the Judgmental fire of God!
5. Today, I cast out every strange spirit visiting or inhabiting any space in my life, body, environment, home, etc. Let the fire of God purge them out now!
6. Let my destiny be fully recovered. Let my wasted years be restored. Let destiny acceleration begin immediately. 2024 will be my year to break records!
7. Anything negatively influencing or manipulating my habits, emotions, lifestyle, etc must die now! I break free from every entanglement in Jesus' name!
8. I deliver any helper sent into my life who is under demonic

siege or influence. Their lives will not go down and their assignment in my life must be fulfilled!

9. Monitoring spirits and their human agents must catch fire now! Whatever is sabotaging my destiny and slowing my journey must die immediately!
10. Father, lay Your hands on me for destiny speed. Where I lost ground, Lord, help me to catch up and overtake! I will not be stranded or stagnated in Jesus' name!
11. I call forth my destiny portion. Whatever the enemy seized is recovered! Shame is destroyed! Abundance everywhere! I will not die small!
12. Let the ministry of the resistor against GATEWAY be broken in Jesus' name! Let growth multiply. Let every member be blessed. Let our city be overtaken!
13. Turn to the East, West, North & South and judge every wickedness speaking from each area by fire! Only good news will come from far and near to us in 2024!
14. Point to the heavens and command a continual open heaven over GATEWAY. Let there be multiplication in numbers and miracles. Decree blessings on all members!
15. Oh God, show mercy to Nigeria in 2024. Deliver us from evil and help our nation to experience a turnaround in Jesus Christ's name!

MINISTRATION & LAYING OF HANDS: Tonight, we will pray for those whose backgrounds are resisting their rising. **NIGHT OF RELEASING CAPTIVE DESTINIES!**

GOD'S MERCY SPEAKS

FLORENCE SPIFF

In 2005 my mother needed financial assistance to renew our house rent. Each time she goes to see one of my uncles for help, she'll be told he travelled out of the state. One of the days, my mom and I were watching TV and Papa's teaching came on and we decided to listen. We never knew who he was and we did not know GIC at that time. As we were watching, Papa said "There is a woman watching right now on TV, you have been crying and looking for help, I decree, may help come your way. Stretch out your hands", and my Mom and I reluctantly stretched out our hands. He prayed and we believed. The next day, my Mom decided to go visit my uncle again. As God would have it, she was able to meet him. He did not just give her money for our rent but empowered her with a job that helped her build the house we live in right now.

Secondly, during the crossover night of 2016 into 2017, I decided to worship in GIC. That night, I asked one of my friends to accompany me. As Papa was ministering and was about to round off, he said "I have this leading to pray for students going back to school in the New Year". I was about to go out for the altar call when my friend held me back. I pulled out my hands from her and came into the church. Papa prayed against the spirit of accident and death. I and this friend were supposed to travel together but on the morning of that crossover night, I got a text that we were J2PG// 06

to have a test immediately after the New Year. I hurriedly travelled back to school and I promised to visit my friend as soon as I returned. I was in my hostel a week later when my sister called to tell me that my friend had an accident and she died on the spot. God gave us both a chance and I am testifying today of God's mercy. I thank God for the preservation of my life.

DIVINE DIRECTION AND POSITIONING

SARAH NWACHINEMEREM

In 2021, I did not like where I was spiritually as a Christian so I decided to take a fast. While I was praying, I went into a trance. The canopy I was under was shaking violently and was about to fall apart as heavy rain was falling in the trance that I had. I took another fast asking God for his divine direction in locating a spiritual covering because that was what the first trance meant. In another trance, I saw Pastor George asking me to follow him. When I woke up from the trance, I didn't know who he was so I asked God to direct me on how to locate him. I went for morning cry the next morning and as I was rounding up the evangelism, my eyes caught the billboard above my head and I noticed his picture and the address of GIC. I located the church and joined during J2PG 2022. I joined the prayer department after J2PG and things started changing in my life. God changed my job to where I am now, which pays 4 times more than my previous job. I have been experiencing favour all around me and I am evidence of the GOD-LIFE. This thing works!

THE COVENANT OF THERE SHALL BE NO LOSS

EMMANUELLA ISRAEL

In early January of 2023, I had a dream and in the dream, I saw bullet holes in my ceiling. I woke up and immediately I called a friend to explain the dream to her and she said I should pray against death and loss. I prayed and declared that the covenant of “There Shall be no Loss” should prevail over me and my loved ones. On the 2nd day of J2PG 2023, I was in the service so I couldn't pick up any calls. After the service, I checked my phone and saw that the missed call was from my younger brother so I called him back. Immediately he picked, he said, “Help me thank this God”. He told me someone came into his shop and brought out a gun to shoot him, but the young man paused and told him to thank his God, that he was very lucky. When he asked my brother for money, my brother thought he meant his sales for the day but was surprised when the attacker insisted on just 200 Naira for his transport fare and left his shop. I thank God for the covenant of “There Shall Be No Loss” that spoke over my family. The covenant speaks! This thing works!

DIVINE HEALING

MRS MARY-ANN OHAERIAKU

For 3 years, I was very ill. Whenever I went to a seminar, I used the money I was paid to service the illness. I was diagnosed with different issues such as; high cholesterol in my body, asthma, and sinuses; which caused constant sneezing, and a part of my breast was almost becoming cancerous. It was so bad that I couldn't get a good sleep. Sometimes when I slept, I felt a hand choking me, it also affected my spiritual life because I couldn't fast, as I always had to eat every day before 10 am. If I failed to eat before that time, my whole body appeared to be withering. Sometimes I died and came back to life again. Before the beginning of the J2PG 2023 program, I told myself that I must participate in the fasting and praying part of the program. I fasted on the first day of the program and broke my fast by 3 pm. On the second day, as I was praying at home, I fell under the anointing and I knew God had started working on me. The next day, while I was sleeping, I went into a trance—I was on my bed and I saw Papa in my bedroom praying for me. He poured anointing oil on my body and kept declaring over me. Then he looked at my mother-in-law who was sitting at the edge of the bed and told her she wouldn't lose me to infirmity. When I woke up from the trance, every pain, sneezing for over a year and other symptoms left. I am free and healed. Also, God blessed my husband with a good job which was also one of my prayer requests during J2PG 2023. This thing works.

Decisions impact destiny. Guided decisions are the secrets to success and mega impact. Divine guidance is our inheritance in God! Nothing eliminates regrets and failures like divine direction!

PRAYER POINTS:

1. Father, Thank You that I will not walk alone. Thank You for the guiding hand of the Holy Spirit in my life! I will walk in Destiny High Places in 2024!
2. Nothing will take me unawares again! I receive grace for greater spiritual sensitivity! Let my awareness and discernment come alive in Jesus Christ's name!
3. I reject spiritual blindness and deafness. Let my inner eyes and ears open now! I connect to spiritual traffic and frequencies! I will walk in the counsel of God!
4. In 2024, my life will be supernatural. I will operate by revelation. My results will be by higher intelligence and direction. My steps will be sure in Jesus' name!
5. Isaiah 48:17—Father, today, by Your Spirit, show me the way to my next level in 2024 in Jesus' name. I break away from smallness in Jesus Christ's name!
6. John 6:13—Father, today, I receive direction through dreams, visions and revelations in 2024. Darkness will not overshadow my life. Let grace prevail!
7. Proverbs 14:12—I will not be deceived! I will not fall for scammers and manipulators. I will not follow the voice of a

stranger. My life will be as ordered by grace!

8. Psalms 37:23—Father, grant me ordered steps in 2024. I shall be at the right place at the right time for the right manifestation, in the name of Jesus.
9. Today, I escape every snare & shame set for me in 2024. I will not enter the hand of the wicked. I will not be a victim of life in Jesus Christ's name!
10. There is a shorter road to my destiny place! Lord, reveal it to me! Command destiny speed! Help me to escape the pothole roads! Carry me on eagle's wings!
11. Today, I call forth covenant opportunities! I will not miss my appointed moments and seasons. The voice of God via my man of God will guide me!

DIVINE FAVOUR FOR A JOB

FAVOUR CHIMA

I'm a professional nurse and I've been believing God to work in a particular hospital. In August 2022, I went online and printed out the name of the hospital and other hospitals that offer the same services I was looking for to improve myself professionally. Every night on the Altar of Mercy prayer, I put my phone on the top of the printed paper with the name of my choice hospital and kept declaring that I must work there. That same August, a colleague of mine took my CV and submitted it to the hospital where I'd been believing God to work. In December 2022, I was called for a physical interview and I sent a text to Papa and he said, "Go and get the job". I went for the interview and it was successful. During J2PG 2023; while I was serving at one of the viewing centres, I got a call that I was among the few successful candidates out of a thousand applicants. I went for orientation and medicals. To the Glory of God, I resumed as a staff there. This thing works. Hallelujah!

DIVINE HEALING

HANNAH OPUIGO

I am thanking God for healing me of acute bronchitis for 28 years. I was told by my mum that I woke up one morning as a

newborn with a terrible cough infection. I was taken to the hospital as a baby and the doctors diagnosed me with neonatal pneumonia and later bronchitis. I was placed on antibiotics as a baby and since then I've been on antibiotics every month. Growing up as a young girl, my health got so bad my mum begged me to use an inhaler as any little trigger can set off a breathing crisis. Such triggers include sweeping, cooking, doing laundry or anything strenuous. It will trigger the condition leaving me in the hospital for another 2 to 3 days. This was also taking a toll on my finances but I kept managing the condition believing that I would receive my healing. In September 2023, I was invited to Gateway International Church for her September Prophetic Impartation program; that was my first attendance at GIC. After the three-day program, my mum and I decided to stay back in GIC as our home. I attended the Jericho March program and kept attending the Faith Clinic services and vigils. In one of the Faith Clinic vigils, as I was praying, I felt a personality walk out of me and that night marked my healing encounter. After that night, all the symptoms of bronchitis disappeared. I found myself doing things that used to trigger breathing crises without any restriction in my breathing or constriction in my chest region. In fact, God gave me brand new lungs. This Thing Works!! Hallelujah!!

It is an error to put in much and reap little! But nothing is permanently lost in God. Every lost opportunity, glory, relationship and year will be recovered with compensation. We will recover all in 2024!

PRAYER POINTS:

1. Psalms 100:1-4—Father, thank You for Your abiding mercies! You are the guarantee that my tomorrow will be better. Show me exceptional mercy tonight.
2. 2 Chronicles 7:14—Lord, I repent of every accusing sin that wounded my destiny. Have mercy on me. Restore me to spiritual vibrancy in Jesus Christ's name!
3. 1 Chronicles 4:9-10—Ask God to change your story! Command your destiny journey to take a turn for glory. Let quick progress be the testimony!
4. Micah 5:10-12—Set every witchcraft and occult power behind your life problems on fire! No more destiny miscarriage! No more rising and falling!
5. Destroy every satanic prison and storehouse caging your blessings! Nothing will stop you! Let there be a total release. No more destiny delays!
6. 1 Thessalonians 2:18—No more spiritual roadblocks. No more visible barriers! 2024 will restore ten years in one year. Every resistant force must bow by fire!
7. Psalms 75:6-7—I reject destiny exchange, tampering and usurpation! The supplanters occupying my destiny positions

& portions must give them up by fire!

8. Isaiah 14:5—Destroy every evil hand behind near success syndrome, and rising and falling! Shame will not overtake my glory! No more Destiny slow motion!
9. Today, I recover every grace, blessing, opportunity, relationship, etc that I lost to the devil; I call them back now! Father, release men and angels to help me!
10. The real me is coming to full manifestation! No more spiritual masks. No more cobwebs. No more shame! No more evil stories! No more stagnation!
11. Everyone related, connected and associated with me, living under demonic oppression are redeemed today! Let their destinies rise by fire!
12. Command restoration over GATEWAY and the ministry of PASTOR GEORGE IZUNWA! We take our place and take the land. Our glory will never go down!
13. Turn to the East, West, North and South and judge every wickedness speaking from each area by fire! Only good news will come from far and near to us in 2024!
14. Point to the heavens and command a continual open heaven over GATEWAY. Let there be multiplication in numbers and miracles. Blessing on all members, in Jesus' name!
15. Oh God, show mercy to Nigeria in 2024. Deliver us from evil and help our nation to experience a turnaround in Jesus Christ's name!

EVIL CYCLE BROKEN

DANIELLA RICH

I had a problem with bedwetting when I was a child. It was so bad that I stopped bedwetting at 18. I got married and had two girls, and disturbingly, my first daughter continued bedwetting as a child and stopped at 18; the same age I stopped. I got so worried because my second daughter is about 9 years old and still bedwetting. On my way home one evening after the Jericho March of 2023, I had a ministration to remove the Jericho March banner on my gate and put it on the bed of my 9-year-old daughter. So, I washed the banner thoroughly and put it on my daughter's bed for her to lie on top with Papa's face upward. I have been observing her since the night I carried out that prophetic exercise and she has stopped bedwetting. I return all Glory to God.

FAITH WORKS

JULIET AMADI

My mum has had a skin disease for almost 10 years now and even with treatments here in Nigeria and abroad, the condition has remained the same. Early in the year 2023, I started having the same skin issue as my mum. Initially, I thought it was because of the close contact I'm always having with her until I had a dream that gave me an insight. In the dream, "I was standing in front of a candy bowl and someone was telling me I'm beautiful. Then I heard a voice telling me the person wants to take my beauty and the person took a candy from the bowl". That's how I knew the skin issue was more spiritual than physical. I started praying about it and applying the communion to my body and after a while, I had another dream. In the dream, "my whole skin was covered with the same skin infection as my mum". I woke up from that dream and remembered what Papa tells us about the devil instilling fear in us when waiting on God for a miracle. Immediately, I started declaring my healing. I stopped applying the communion and being conscious of my body. After a few months, I realised my skin had cleared with no sign of an infection. I return all glory to God for His mercies and healing. This Thing Works!!

DIVINE HEALING THROUGH SERVICE.

EVELYN FRANCIS

Sometime in October 2022, I was working in my office when I suddenly started feeling very hot. I asked one of my staff to put on the generator so that I could use the AC. Instead of feeling better with the AC on, I kept feeling worse. The next thing I knew, a terrible itch started on my head to the extent I wanted to cut my hair. After calling my doctor, I put Izal disinfectant on my head hoping it'd stop the itching but instead, it got worse. I left for my house because I could no longer stay at the office. When I got home, the itching got worse and spread all over my body. My whole body system changed because I was feeling hot and cold at the same time despite the layers of clothes over me. Suddenly, I had growths in my ears, and spots like growth on my skin, my eyes became bloodied and swollen, and I could neither eat anything nor swallow my saliva, I just managed with sips of fluids for strength. I couldn't talk or shout but could only communicate through sign language or writing in a book. The more I scratched the itch on my skin, the worse my skin looked like it was being peeled off with a knife and left spots on my skin. The next morning my husband took me to the hospital where we ran a full body test and scan

Amazing TESTIMONY

to know what was wrong with me. My test results came back clean. Nothing was medically wrong with me, yet I was dying. The doctor being a Christian advised us to go spiritual seeing there wasn't anything medical that could be done to save me. After taking and bathing with the communion and oil, I felt a little relief that night. All through that night, the testimony that Papa always shares about a man who got saved from an accident because he served in the Faith Clinic kept playing through my mind. The next morning, being a Sunday, I told my husband I was going to church, he was scared I might die on the road before getting to church, but I managed to come to church. As God would have it, I was the only person on duty in my service unit that morning, attending to lots of people. I can't tell at what point my healing happened but I knew I was healed when I shouted at someone for doing something wrong. After I scolded the person, it dawned on me that I couldn't just talk, but I could also shout. Suddenly, I felt a cold sensation rush over me and I found myself shaking. Before the end of the service, my bloodied swollen eyes were healed, and the growth in my ears and weakness were gone. Within two weeks, the skin sores were clear from my body and I was looking better than before as if nothing ever happened to me. Serving God pays. This Thing Works!!!

DIVINE HEALING.

BLESSING OKEHI

10 years ago, I was diagnosed with Ulcer and I started treating it. One of the adverse effects of the ulcer on me was that it prevented me from fasting. In 2019, I was diagnosed with “breast lumps” and after the surgery, I noticed I developed a high BP which I started treating alongside the ulcer. Sometime in 2021, I also developed heart palpitation, fainting spells and hotness of the body, still battling with the ulcer and High BP. During J2PG 2022, I wanted to participate in the fasting for all the 12 days but I was unable to complete it due to the ulcer and fainting spells. I didn't let this deter me though. I was rather encouraged and kept trusting God for my healing. On one of the days of J2PG 2023, Papa made a declaration that God was taking away ulcer and heart palpitation cases and I told myself, “Today is my day”. I keyed and held onto that word from Papa. I went home and started noticing changes in me as the days went by. The hotness of the body stopped, the fainting spells and heart palpitation stopped, the High BP normalized and the ulcer of over 10 years got healed. In one meeting, at a word, God took away my infirmities. God is an awesome Father. This Thing Works!!

THIS THING WORKS!!

TONYE BRIGGS

7 years ago, I relocated back to Port Harcourt and joined Gateway International church. God gave me a vision to start a blog. 3 years ago, I joined the G-trend (Gateway-Trend) Team; a part of the Social Media Department of the church that promotes the church online. On one of the days of J2PG 2023, Papa asked us to bring the flag of any country we wanted to go to or come with our passports. I didn't come to church that day with a flag, I was busy serving at my duty post and posting #J2PG pictures online. Because I was busy, I didn't know when Papa was declaring over us for the doors of nations to open unto us. One of my team members tapped me to lift my flag so I randomly picked Switzerland and posted it online with hashtag #J2PG. In the months that followed, God helped my social media influence. In the third week of June 2023, I was selected to represent Port Harcourt and Nigeria alongside other people from different parts of the world at the World Economic Forum in Geneva. This was a huge lift for me in my career. I never knew this was God's plan for me when I chose Switzerland. I give Him all the glory. Praise God!!! This Thing Works!!

In this season of ROH!, God will sponsor destinies into greatness! Nothing we pursue shall escape us! The bigger the dreams, the more God will be glorified in them! 2024 will be a year of exceptional results!

PRAYER POINTS:

1. Zechariah 4:6—Lord, thank You for Your promises & prophecies concerning my 2024! I enter my place of glory by Your help in Jesus' name! 2024 must work!
2. Matthew 16:18—I declare that every dream of 2024 is set apart for the Lord and will be fully achieved in Jesus' name! My God will build my destiny in Jesus' name!

DIVINE HEALING AND ELEVATION

DR CHINWE NWACHUKWU

During J2PG 2023, three (3) of my prayer points were for God's healing, to be blessed with a lecturing job of my desire and for my son to graduate from the university with honours. In 2020, my domestic staff was working with the washing machine and suddenly, there was a loud blast like an explosion from the washing machine. My head took a spin and my heart skipped. I never knew that blast affected me until I found myself jumpy and afraid of any little sound. I couldn't sleep, I was always having constant headaches and as a result of that, my BP became high. The medications were not working because doctors couldn't diagnose what I was going through. So I delved into God's word. I kept studying Papa's book, taking communion, joining the altar of mercy and declaring God's healing upon my life. About a year later, God used a young doctor to diagnose my health condition as a "Panic Attack". I was placed on medication but the insomnia continued. In one of the Sunday services in 2023, I was in church when Mama called out those who

were having insomnia. I came out and she prayed for us. From there, my healing started and today I am healed. I sleep very well, the Panic Attack is gone and my BP is normal. Hallelujah!

Secondly, I got my doctorate in 2018. I have always aspired to be a lecturer so I applied to many Universities for a job, all to no avail. I met Papa in 2021 with a seed and told him I hadn't gotten the job I desired. He prayed for me and one of the declarations he made that I held on to was that my next application would be my last application for a lecturing job. One of the applications I sent in was for a "Senior Lecturer" position that I wasn't qualified for, but I was led to apply for it. I was called for that position and on the day of the interview, God favoured me and I was offered the job. Also, my son graduated with first-class honours from the University. Indeed we're truly the best as Papa always declares over us. This Thing Works!
