SYMPTOMS OF DIABETES HEALED BY THE POWER OF GOD

My mum was diagnosed with diabetes, which she had been managing for over ten years. She always complained of waist pain, frequent urination, and blurry sight. While Papa was ministering on the last Friday of the Vigils of Destiny, she saw a personality walk out of her, and from that day, she received her healing. All the symptoms are gone. Thank you Jesus.

HEALING FROM FIBROID PAIN AND PROTRUDED STOMACH BY GOD'S MERCY

I was diagnosed with multiple fibroids two years ago. Due to the growth, my doctor told me I wouldn't be able to conceive. However, I joined the Altar of Mercy (Midnight Cry) on Thursday and Papa asked us to put oil in water and drink it if we had any sickness or disease. I did as we were told. I also applied the water to the growth on my finger. Immediately after, I felt a hot sensation and vibration on that finger (left thumb). To the glory of God, the protruded stomach has gone down, the pain in my right abdomen is gone, and now, I can lie down on the right side of my stomach. No more pain! Praise God!

CONSTANT BLEEDING AND FIBROID HEALED BY PERSISTENT FAITH

I've been bleeding consistently for 5 months since March; I bled every day, but it often subsided when I took a particular drug. Then, I went to the hospital and after a series of scans, I was diagnosed with fibroid inside my womb (I didn't know fibroid could be found inside the womb). I was booked for surgery which took place, yet the bleeding continued. This time, it became worse. The bleeding was so heavy that I could only come for the last vigil. Pastor Jerry Eze and Papa finished ministering, but my case wasn't mentioned. By 2:00 AM, the sanitary pads I came to church with had finished and I had to go out and get more. I was about to return home after service that morning when I suddenly turned and went back into the church. I decided I wasn't going back home without my healing. So, I went to the altar with my prayer request and lay there. I told God to show me mercy because Papa had declared here as the headquarters of mercy. I told God that if the "violent" had been taking it since the beginning, then I also take my healing by violent faith.

After praying, I went home, bathed, changed my pad, and slept. When I woke up. My pad was dry. Already, I had been scheduled for another scan to check what was going on inside of me. So, I went for it on the 5th of August. When the doctor checked me, he said "Mrs. Amadi you are fine, we can't find anything". I have come to return all the glory to God!

Financial breakthroughs and plots of land acquired by divine supply.

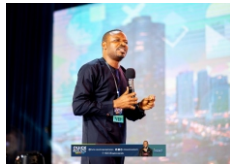

I joined Gateway International church four years ago, and when I joined, my business and my husband's business were not working. Meanwhile, in January of that year, Papa talked about the first fruits. Before then, my husband had planned to celebrate my birthday that month but I convinced him to use that money to pay for my first fruit instead. After much deliberation, he agreed, and I paid. Shortly after, doors started opening for us. The next year January, I convinced him to pay for his first fruit and he agreed to pay a certain amount even though he didn't have the money at that time. However, he got a business deal a few days later and paid for his first fruit the next Sunday. After that, more doors of favour kept opening. We continued worshipping here and Papa kept declaring that we would be landlords in the city and we shouldn't bother about how it would happen. He said God will do it. At that time, when I looked at our businesses, I knew there was no way we could afford a piece of land except by God's intervention. To the glory of God, our businesses kept improving and my husband got a piece of land. Secondly, in August, Papa asked us to pray for the gate of August to open to us. I got home and I kept praying about it. The next week, we had the Anointing to Soar Higher service, and a few days later, my brother who lives abroad called me and told me he wanted to buy 19 plots of land and was giving me the contract to source for the land. Thankfully, I was able to get the land. From that deal, we acquired two more plots of land. Today, we have 3 plots of land in our name. I have come to return all the glory to God for changing our lives.

PRAYERS ANSWERED: HOSPITAL BILL MIRACULOUSLY PAID

Five years ago, I was diagnosed with hernia. I didn't have money for the surgery. I tried saving up but each time I saved, another issue came up and I used it to solve it. So, on the third Sunday in July, I came to the Altar of Mercy, lay down, and cried to God to show me mercy and make a way for me. I asked Him to provide me with a hospital where I could have the surgery done at a cheaper rate. The following day, a friend gave me the phone number of a government hospital in Abia state. When I got to the hospital, I did some checkups and sat down to wait for the

surgery to be performed. While waiting, I had my Vigils of Destiny 2023 tag on, so, a woman came in, saw me wearing it, and asked if I attend GIC, and I said yes! She said she loves Pastor George and asked if I paid hospital bill. Of course, I told her I had made a deposit and she promised to take care of the remaining bills. Later, another man came in, saw the tag, and asked if pastor George was my man of God. Again, I said yes, and he said he would take care of my feeding and every other expenses. I was taken care of, and the surgery was a success. Hallelujah!

FINANCIAL HELP AND BUSINESS EXPANSION BY DIVINE INTERVENTION

I am a Tech personnel (a user interface and web designer) but work from home. I have been trusting God for expansion in my career. When Papa asked for volunteers who would serve with the transportation department to convey people to church, I volunteered and tied my service to expansion and destiny shift. The night Rev Ntia Ntia ministered during the Vigils of Destiny, he called for seed, and I sowed. That same week, a friend called and asked me what I wanted. I told him I needed funds to expand my business (I needed to buy more tech equipment and get a better place). Amazingly, he sent me a huge sum of money with which I moved into a bigger apartment and bought the equipment I needed for my expansion.

HEALING FROM GROWTH & SEVERE MENSTRUAL PAIN

For more than 10 years, I've had a growth on the right side of my stomach, I noticed the growth when I was about 6-7 years old. I didn't tell my mum because I didn't want to burden her financially and I thought I'd outgrow it at some point. As I grew older, the growth became bigger. When I started menstruating, I noticed it came with terrible pain, such that I wasn't able to work. Sometimes, it would cease for months. I went to the hospital and after a series of tests, it was confirmed that the growth was the reason for the painful and irregular menstruation. They told me I needed surgery immediately or else it would grow into fibroids. Well, since I couldn't afford the surgery, I started praying about it and trusting God for healing.

While Papa was ministering on the first night of the Vigils of Destiny, he gave a word of knowledge and said, "There's a girl here; something is leaving your body now". Immediately, right where I was standing, I felt something physically fall out of my body. I went to the toilet to check, and I noticed that the growth had left and I could no longer feel any pain. The next morning, my menses which had ceased for about a month began to flow and for the first time, it came out with ease and no pain. Glory to God!

DELIVERANCE AND DIVINE RESTORATION

For over two years, I have been battling with a fainting spell. My husband didn't have a job and things were not working for us. I went to the hospital and saw a flyer from Gateway; I called the number and was connected to Pastor Favour. He started praying for us but I wasn't sure of coming to Gateway during J2PG last year. So, I had a dream where some persons came to attack me and for the first time, I shouted "The God of Pastor George Izunwa, come and save me!" Somehow, I was able to defeat them and escape. When I woke up and told my husband about it and we agreed to stay in GIC. We joined during J2PG and connected to the altar of mercy prayers. In February, my husband got a job.

Secondly, in my family, every four years, a female dies. I had lost two of my elder sisters, and I was next in line. It was always kidney failure or high blood pressure. My sisters died of kidney failure, and I started developing symptoms of kidney failure like swollen feet and other symptoms. I was afraid of going to the hospital to confirm. During the Vigils of Destiny, I joined in the fasting and midnight cry, putting oil in water and drinking according to Papa's instructions. After prayers on one of those nights, I had a dream in which some elderly people I did not know surrounded me. A judge who presided over my case noticed I was wearing a Gateway wristband. So, he called me and asked if I was a member and I said yes. He said, "Gateway people, their case is different and there is a way we judge their cases and because you attend Gateway, you can go". I left. I woke up that morning and from that day, the symptoms of kidney failure were gone. The fainting spell and swelling on my legs were gone as well. For the first time in my life, last month, I was gifted some dollars that ran into hundreds of thousands.

PRAYER OF SALVATION

Salvation is the greatest miracle of God!

Dearest, if you haven't experienced the new life in Christ, you are missing out on life's greatest prosperity. You are missing out on the opportunity to partner with God through your journey of destiny on earth and spend a blissful eternity with Him. You are positioning yourself for the greatest pain of all—an eternity in hell.

This is your time to make the best decision of your life! This is your moment to invite Jesus the son of the living God into your life!

How do you do it?

First, believe in God as revealed in the Bible! Accept that your life has not met His standards! Repent of every wrong behaviour. Accept that Jesus has paid the penalty for your sins at the cross! Surrender your life to Jesus through this simple prayer:

"Jesus, I believe that You're the son of God and You died for my sins. Come into my life. I will follow You for the rest of my days! Amen!"

Praise God! **You are now a child of God!**

Now do these 3 things:

1. Get a Bible and Read: John 1:12, John 5:24, Romans 10:8-13. They will assure you that God has accepted you as His child!

2. Testify about your salvation! **Call the Gateway International Church lines listed here** and testify. Then, tell someone close to you who you know to be a true Christian. Also, tell your friends and family members!
3. Look for any Bible-believing church in your neighbourhood to worship or locate any of the GATEWAY CHURCHES listed here and worship there!
