DELIVERANCE

I joined Gateway for the first time, July 7, 2023, for the vigil (VOD). While I was in church, Papa started praying for deliverance against the ancestral altar, and suddenly I felt the need to throw up. I went to a corner and vomited. After vomiting, I felt some sort of relief and continued with the prayers. After church on that Saturday, when I got home, I felt at peace within me, something I hadn't had for a very long time. That Saturday night in my dream, I vomited a snake-like something, and after vomiting, the thing crawled out of the room, and I woke up. From that time, things started changing for me. For the first time in a long time, I paid my tithe, my business has experienced a turnaround, and customers have been flowing in more than before. Secondly, I live with my brother in the same house, but we hardly have a conversation. but since that Saturday, my brother and I now talk and hold conversations, which we haven't done for a while. Aside from that, he now follows me to church, and we've been consistent. I just want to thank God.

○ PETER CHIBUIKEM C.

DIVINE FAVOUR

For over 2 years, I've been believing God for a job to support the business I'm doing. I needed another stream of income. A few months ago, an opportunity came up for an online job. I made several attempts to apply, but my application would not go through. It kept bouncing back. Everyone who applied together with me had their application go through with ease. During the VOD 2024, I began to pray against resistance. On Sunday, 7th July 2024, Papa gave a word of knowledge during ministration. He said, "Before Tuesday, receive your answer". I claimed that word, and on Monday, I tried the application again, and it went through with ease. I got the job and have started working and earning in dollars. Praise God.

HEALING

In March 2024, I noticed changes in my leg, and by the end of March, my legs were swollen from the knee downwards; I couldn't walk properly or stand. I went to the hospital and ran some tests (from the heart to the kidneys and liver), but the doctors couldn't find anything wrong with me. So, I kept managing myself. On the 1st of July 2024, I had a blood transfusion because I had been losing blood and weight. I kept stooling uncontrollably, and I couldn't hold urine as well. Then, a friend of mine invited me to the Vigils of Destiny (VOD), and I attended on the 3rd night. During Pastor Sam Oye's ministration, he told us to cross the line. I was too weak to stand, so I sat down. I moved my leg a bit, and after that, I could feel a little relief. From that day to Sunday, the swelling in my leg had completely gone away. I am healed and free from the affliction. I have come to give God all the glory.

THE COVENANT OF THERE SHALL BE NO LOSS

I want to thank God for preserving my life. On Saturday morning (after the vigil), I boarded a taxi, unknown to me that it was the wrong taxi. On our way to the location, which is my destination, he started a conversation with me; he asked where I was coming from, and I told him I was coming from church. he asked if it was VOD, and I said yes. He showed me a dagger and a gun. He took my bag and my phone because that was the only valuable thing I had. I just kept praying in tongues, and at some point, I asked him for my SIM card, and he gave it to me. After passing my junction, he stopped and dropped me, and he said he would have taken me somewhere else, but he would just let me go. I just want to thank God for preserving my life.

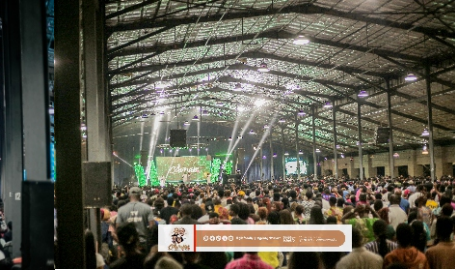

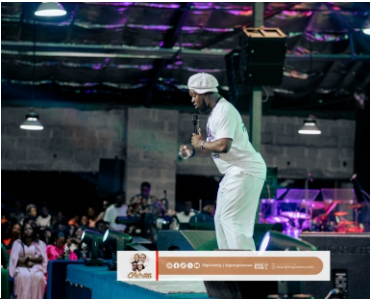

○ MATILDA INYANG

DIVINE PROVISION

Last year, vigils of destiny, when I came, I was going through financial issues, I didn't have a job or an accommodation. My health was bad, and I kept going in and out of the hospital. I ran a series of tests, but they couldn't say what was wrong with me, and my health kept deteriorating. That night, I came to church and Papa told us to find a comfortable position and ask God for one thing we want for the next one year and the only thing I could do was to lie down and ask God to show me mercy; that whatever the problem was, he should show me mercy. I am here to give God all the glory, for from that night till now, I have been experiencing God's mercy. I have a strong business, my health has been restored, and my finances have also improved. I was also a participant in the prophecy Papa gave about people having 7-figure income last month. I just want to give God all the glory. His name alone be glorified.

DIVINE HEALING FROM HORMONAL IMBALANCE

For over a year, my menstrual flow ceased. I applied native herbs, but it didn't work. My sister advised that I go to the hospital. After a series of tests, the doctor said it was a hormonal imbalance. I was placed on drugs, but there was no improvement. During the VOD 2024, 2nd night, I heard amazing testimonies and I keyed into them. I cried out to God to visit me. 3 days later, my period came out and flowed normally. Praise God!

○ GLORY JAJA

DIVINE JOB APPOINTMENT

I finished NYSC in 2023. I applied to several firms and companies for a job, yet no response. My major prayer point in VOD 2024 was to get a job. On the second night, when Rev. Ntia Ntia was ministering, I prayed fervently. When I got back home that Saturday, one of the firms for which I had applied for a job called me for an interview. To God be the glory, I passed the interview, and I have started working.

○ FAVOUR PIUS

DIVINE HEALING

I stopped seeing my period for 5 years, and anytime it was time for it to come, I would have severe pain and wouldn't be able to walk without the period coming out. On the 16th July, 2024, during the midnight cry, Papa mentioned my case and declared that the pain should go. A few days later, the period came out, and for the first time, no pain, no discomfort.

● **KATE JOHNSON**

DIVINE FAVOUR

In January 2024, my husband was about to embark on a project, but finances were low. He reached out to a family friend for support, but for over 6 months, he kept mute. During the 4th night of VOD 2024, Papa asked us to lift our ATM cards or cash. I lifted my card and cash for my husband because he wasn't around. The following morning, I gave my husband the cash and asked him to pray whatever he wanted on it. He did and left for work. Later that day, he got an alert from that man for the project. I have come to give God all the glory.

○ **AGBO MARY-ANN**

DIVINE HEALING

For 20 years, I have had chest pains and a swollen cheek for 5 years. I am not a member of Gateway, but I was invited to the vigil by my cousin. I came to Church on the 3rd night of VOD with severe chest pain and a 5-year swollen cheek. This chest pain and a swollen cheek started as a result of an encounter with a strange woman in her dream. After day 3 VOD, 2024, I woke up the next morning, and the swelling had gone. Two days later, the chest pain completely disappeared, and I am totally healed.

○ **BLESSING IKPAI**

PRAYERS ANSWERED

Over 10 years, I have been believing God for admission. I will write the exams, pass, but I will not get admission. I decided to go for another course and completed it for 5 years, but I still desired to study the course of my dreams. Last year, VOD, 2023, I was given a track, for VOD, 2023 I decided to attend, and that was my major prayer point. The next month, I got the admission to study the course of my dream, I got to write the first exam, and was among those selected. To the glory of God, I am now studying the course of her dream.

○ **CHINJERE ANYANWU**

PRAYER OF SALVATION

Hello Dear, I believe you desire to know God and enjoy his help in your journey of life. God also wants to have a great relationship with all of us.

Jesus Christ came to reveal God to us and to bring us into a relationship with him. Only Jesus can remove the barrier of sin, that stands between us and God. He died to pay the price for our sins.

Jesus also has the power to transform our lives and bring us into the inheritance of the children of God. When we receive Jesus Christ into our lives, we become members of the family of God in this life and in the life after this life!

It is quite easy to receive Jesus into our lives; we just invite him through simple prayers!

Let's pray:

"Jesus, I believe that you're the son of God and you died for my sins. Come into my life. Cleanse me from all sin. Make me a new person. I will follow you for the rest of my days! Amen!"

Praise God! **You are now a child of God! The walk with God has officially begun.**

Now do these 3 things:

1. **Get a bible.** Read and memorize these passages: Jn. 1:12; Jn. 5:24; Rom. 10:8-13. They will give you the assurance that God has accepted you as His child!

2. Testify about your salvation! **Call the Gateway International Church lines listed here** and testify, then tell someone close to you who you know to be a true Christian; then tell a friend and family members!

3. **COME TO CHURCH!** Look for any bible believing church in your neighborhood to worship there or preferably locate any of the GATEWAY CHURCHES listed here and worship there!
